Our competencies

Main focus: fostering new businesses and their qualification

- project management
 - state and federal as well as European level
- event management
 - regional conferences, fairs and congresses
- service and letting
 - modern offices, laboratories and seminar rooms

Basic elements in Germany

- Social market economy
 - freedom of association, tariff autonomy ect.
- Specific tariff commitments
 - which usually include a social pact
- Autonomy of social partners
 - no intervention of the state
- Principle of online acces, principle of trusted services...

Social dialogue in Germany

- Organised by national authorities
 - National, regional or companies level
 - Employees and employers (management)
 - Unions and employers' associations
 - Government (in-)directly involved
- Little-known at employees' level
- Better known as social governance
 - ...optimise the manner in which society works

...based on exchange

- Participation formats
- Telework/homeoffice
- Work-life-balance

- Decline in tariff commitments
- Atypical labour conditions
 - Temporary employment
 - Half-time employment
 - Marginally employment
